

Modern Commercial Pest Control, Inc. strives to provide its customers with the most efficient methods of pest control. We always provide our employees with constant, on-going education so they can provide our customers with the best possible service results, and so that we can use pesticides in the safest possible manner for our customers and ourselves. In accordance with our sense of responsibility for the safety of our customers and employees, we ask that you read the following:

STATE LAW REQUIRES THAT YOU BE GIVEN THE FOLLOWING INFORMATION CAUTION – PESTICIDES ARE TOXIC CHEMICALS

Structural pest control companies are registered and regulated by the Structural Pest Control Board and apply pesticides which are approved for use by the California Department of Pesticide Regulation and the United States Environmental Protection Agency. Registration is granted when the State finds that based on existing scientific evidence there are no appreciable risks if proper use conditions are followed or that the risks are outweighed by the benefits. The degree of risk depends upon the degree of exposure, so exposure should be minimized.

If you experience symptoms of dizziness, headache, nausea, reduced awareness, slowed movement, garbled speech or difficulty in breathing, leave the structure immediately and seek medical attention by contacting your physician or Poison Control Center (telephone numbers listed below) and notify your pest control company.

For further information, contact any of the following: **Your pest control company (559) 352-1312**; for health questions – the County Health Department (number listed below); for Application information – the County Agricultural Commissioner (number listed below); for Regulatory information – the Structural Pest Control Board (916) 561-8700, 2005 Evergreen Street, Ste. , Sacramento, CA 95815.
